Thank you!

To benefit special needs programming  
at the New Canaan YMCA.

The New Canaan YMCA is committed to serving those with special needs. This past year, nearly 200 people of all ages benefited from specialized and mainstream programming, employment, and volunteer opportunities. And through our Special Cares Camp program, the Y is proud to bring children with a variety of special needs into our mainstream camp programs, providing one-on-one aides to these children at no additional cost to their families.

COME OUT AND PLAY
