YOUTH DEVELOPMENT

HEALTHY LIVING

SOCIAL RESPONSIBILITY

WE'RE MORE THAN A GYM; WE'RE A CAUSE.

Everybody knows the Y as four letters: YMCA.

But from A to Z, the Y brings our community so much more through a broad range of programs and services.

There's Exercise, but there is also Education through our after-school programs and community wellness lectures. There's Cardio, but there is also Community Volunteerism. We teach Pilates, but we also teach Prevention through our wellness initiatives. We give Swim lessons, but we also give Scholarships and financial assistance to those who need it most.

Here are some highlights of our past year:

- Our 2012 Annual Support Campaign, under the leadership of board members Kevin Cowser, Rick Routhier, and Kristin Selvala, enabled us to provide more than \$400,000 in financial assistance to members of our community in need. Our 15th annual golf outing at the Country Club of Fairfield, chaired by Chris Pohle and Rick Selvala, raised nearly \$80,000 to support our Special Needs Initiative. And through our partnership with the Kiwanis Club of New Canaan, the annual Family Circus returned to New Canaan, with proceeds helping us provide summer camp scholarships.

- Hundreds of people relied on the Y this past year as an emergency respite center during power outages caused by Hurricane Sandy. On average, 1,000 people entered our facility each day.
- Our Y's Special Needs Initiative, launched in 2009, now serves more than 100 kids, teens, and young adults through specialized and mainstream recreational and social programming. Participation increased by 32% in 2012.
- Our Y is committed to helping our members and the community create healthier lifestyles. People of all ages are improving their well-being through such programs as cancer wellness and youth strength training in addition to free community events, such as our Senior Health Fair and community wellness lecture series.
 - The Y's three competitive aquatic teams—swimming, diving, and synchronized swimming—all enjoyed successful seasons, and 12 of our student-athletes will be continuing their sport at the collegiate level. In addition, Emma Baranski, a member of the YMCA Aquianas, was named to the Senior National Synchronized Swimming Team.
 - Our seven-year partnership with Facing the Future (FAFU), a child development center in the Kenyan slum of Kibera, continues to flourish. In October of 2012, FAFU Executive Director Simoen Ajigo visited our Y and the community to raise awareness, as well as to take our Y's best practices back to Kibera.

- The New Canaan YMCA continues to maintain a steady fiscal position, ensuring that we will be able to continue serving the community—now and in the future.

The Y is so much more than a gym. It's a cause. Our cause is strengthening community and so much more.

We are proud to serve such a broad segment of our community through our programs, services, and facility. We thank you for making this possible and look forward to another successful year.

Yours in service,

Peter Skaperdas
Board President

SUPPORTING YOUTH: THE ALL KIDS ARE OUR KIDS COLLEGE SCHOLARSHIP

Brian Austin-Carter is this year's recipient of our Y's All Kids Are Our Kids College Scholarship. Funded by our Annual Support Campaign, we award this scholarship annually to a graduating high-school senior in recognition of academic potential, as well as volunteer and work experience.

Brian graduated with high honors from Fairfield Prep, where he was inducted to the National Honor Society and a member of the varsity crew team. While at Prep, he was a peer tutor and a member of REACH, a club of service volunteers. The REACH club regularly assists with programs and events in our Y's Special Needs Department. Brian has also worked as a one-on-one aide for children with special needs at summer camp for two seasons.

"The Y has had an impact on me and provided me with opportunities to learn, grow, and serve," says Brian. "I have developed a passion for community service, and the Y has become like a second home to me."

Brian will be attending Villanova University, majoring in Chemical Engineering.

FOR YOUTH DEVELOPMENT

Nurturing the potential of every child and teen

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of adults who care about them.

NURTURING THEIR POTENTIAL.

5,500 children experienced positive, fun activities that enhanced their athletic, social, and interpersonal skills.

We teach Swimming to more than 1,000 kids each year, but we also teach Sportsmanship. Kids play Basketball and enjoy the fun of Bouncing Bears, but also experience a sense of Belonging. We offer Camp, but our goal is to provide a caring Community where all children have the opportunity to learn, grow, and thrive.

CONFIDENT TEENS TODAY; CONTRIBUTING, ENGAGED ADULTS TOMMOROW.

At the Y, teens can Relax, but they also benefit from spending time with positive Role Models. More than 1,600 teen members enjoy safe, healthy, fun activities with us each year. From middle school nights—with 80 kids attending each month—to just spending time with friends after school and on the weekends, the Y provides positive, healthy activities.

We are also one of the largest employers of teens in our community, giving nearly 100 young people job opportunities and 56 13-15 year olds leadership experiences through summer camp Leader and Counselor in Training programs.

WORKING FOR WORKING FAMILIES:

The Y offers Childcare, and helps preschool and school-age children maintain strong family Connections through its full-day and afterschool childcare and nursery school programs.

112 children with working parents enjoy all the Y has to offer in their "home away from home," while more than 60 attend our Y's Little Owl Nursery School.

THE Y. WE'RE SO MUCH MORE

Working families can count on the Y when they need us. This past year, we awarded more than \$65,000 in financial assistance to 31 children enrolled in our childcare programs.

MAKING A DIFFERENCE A WORLD AWAY: Our Y's Partnership with Facing the Future in Kibera, Kenya

Now in its seventh year, the New Canaan YMCA is proud to be partnering with Facing the Future (FAFU), a child development center that provides feeding and education to nearly 250 children in the Kenyan slum of Kibera.

In Kibera, nearly a million people live in an area the size of Central Park without clean water, electricity, sanitation, adequate food, or medical facilities. 70% of the population is under the age of 14, including 50,000 orphans.

Thanks to community support, our Y is a sponsor of FAFU's feeding program, and also assisted in construction of their new permanent facility. And in October 2012, we were thrilled to welcome FAFU Executive Director Simeon Ajigo to New Canaan and to our Y. Simeon's visit rose awareness of the challenges faced by Kibera's

residents, and he also spent time observing our childcare programs, to take best practices back to his team in Kibera.

FOR HEALTHY LIVING

Improving the nation's health and well-being

In communities across the nation, the Y is a leading voice on health and well-being. With a mission centered on balance, the Y brings families closer together, encourages good health, and fosters connections through fitness, sports, fun, and shared interests.

HEALTH, WELL-BEING, AND FITNESS:

Our Y is a community resource dedicated to promoting wellness among people of all ages and abilities through good health and exercise habits. Our programs are designed to help people set realistic goals for self-improvement and disease prevention through an active lifestyle, proper nutrition, and health education.

LIVING STRONGER LONGER:

We are proud to partner with area hospitals and organizations to help our community members maintain their health, or to regain strength after illness or injury. From community health lectures to free cancer exercise programs for survivors and those undergoing treatment, we strive to support the community's health and wellness needs.

THE Y. WE'RE SO MUCH MORE

To ensure that everyone has access to resources that encourage healthy living, this past year our Y awarded nearly \$74,000 in financial assistance toward program fees to 129 individuals.

GROWING STRONGER TOGETHER:

This past year, 150 12-14 year olds completed our Families in Training program, allowing them to work out with their families any time in our Wellness Center, or with their friends after school during designated hours. Our Y also offers special family group fitness classes, family swim time, and open gym time.

FAMILY TIME: Families have fun and grow together at the Y through special community events, programs, and informal recreation. In addition to community events like our International Festival, Crafts With Santa, and Halloween Party, our Y once again partnered with the Town of New Canaan to host Family Dinner Night, giving families the opportunity to get away from their busy, over-programmed lives, to play together, and enjoy each other's company.

THE Y. WE'RE SO MUCH MORE

We provide 5,100 adults and 5,500 young people with the support, guidance, and resources they need to achieve greater health and well-being for their spirit, mind, and body.

LET'S WORK TOGETHER

Strengthening community is our cause. The New Canaan YMCA is proud to partner with and support other local organizations and agencies to address the common needs of our community. Among our recent collaborative partners are the following:

21 Strong
A Home
ABC House of New Canaan
All Out For Autism
American Cancer Society
Arts for Healing
Boy Scouts of America
Court Community Service Program
Getabout of New Canaan
Girl Scouts of America

21 STRONG:

In partnership with 21 Strong, a local organization of families who have a child with Down Syndrome, our Y hosted a National Down Syndrome Day celebration for the third consecutive year.

HANDS FOR LIFE:

In partnership with the New Canaan Volunteer Ambulance Corps, our Y presented Hands for Life, a daylong training event. 902 community members gained the life-saving skills and confidence to administer hands-only CPR and AED in the event of a cardiac emergency.

CELEBRATING ABILITIES

Our Y's Special Needs Initiative

The Y is a place for everyone, and our Special Needs Initiative provides specialized and inclusive recreational programs and opportunities to more than 100 children, teens, and young adults with special needs—and their families. We are one of just a handful of Y's in the country to have a full-time Director of Special Needs programming, allowing our Y to offer those with special needs the support they need to be well, make friends, and thrive.

STAYING STRONG, HAVING FUN:

From wellness and music to aquatics and recreational opportunities, our Y is helping those with special needs have fun and build a lifetime of healthy habits. We are also proud to provide employment and volunteer opportunities to those with special needs.

THE Y. WE'RE SO MUCH MORE

The Y dedicated \$60,000 this past year to provide support staff for our Special Needs programs and Special Cares Camp, allowing our members with special needs to enjoy programs and summer camp at no additional cost to their families.

MAKING SUMMER MEMORIES:

Preschoolers, teens, and young adults have summers to remember through our Y's mainstream and specialized day camps. We provide support aides at no additional cost to the campers' families.

FOR SOCIAL RESPONSIBILITY

Giving back and providing support to our neighbors

When you give to the New Canaan YMCA, you strengthen our community. As the nation's leading nonprofit for youth development, healthy living, and social responsibility, we use our donors' generous Annual Support Campaign gifts to make a meaningful, enduring impact right here in our own community.
