E-Wallet Authorization Form

The New Canaan Community YMCA, Inc. now has the ability to securely store your credit card information in a “tokenized” file called E-Wallet. Using E-Wallet is easy, secure and convenient.

It’s easy. Stop by our Front Desk, Monday-Friday, 9:00 am -5:00 pm, with the credit card(s) you would like to add to your account and one of our authorized staff members will set up your E-Wallet.

It’s secure. Your credit card is swiped and is immediately “tokenized” meaning that your card information is converted to a “token” and your full credit card information is no longer visible to anyone at our Y or online.

It’s convenient. Whether you or those connected to your account are at our Y or registering through your online account, you can choose to use your E-Wallet rather than carrying your credit card with you. With an E-Wallet account you will not be asked to give your credit card information over the phone or write it down on a registration form.

The only thing required to set up your E-Wallet account is your authorization below.

Please note, only the billable party on your membership may add, change or delete cards from your E-Wallet. Changes to your E-Wallet account must be made by an authorized Y Staff Member.

MEMBER NAME (please print) _____

ADDRESS _____

PHONE (home) _____ **E-Mail:** _____

I authorize the New Canaan Community YMCA, Inc. to retain my credit card information in a “tokenized” file on my account and, upon request, to charge my card for purchases and/or transactions for those connected to my account.
