# GET READY FOR A NEW SEASON!

Welcome to the 2019-2020 New Canaan YMCA Basketball League! Enclosed are all registration materials and information regarding Y-Ball.

The goal of the Y-Ball program is to develop the whole basketball player; providing each participant with an opportunity to improve basketball skills, develop game-play, and build friendships, all while having fun and fostering a love for the game.

## Y-Ball Program Overview

### Kindergarten and 1<sup>st</sup> Grade Program

This program offers a one-hour skills session on Saturdays throughout the season. Participants will learn the basic basketball skills, including dribbling, passing, shooting, and defense—all in a fun and interactive environment.

### 2<sup>nd</sup> through 8<sup>th</sup> Grade Y-Ball League

The Y-Ball league for grades 2-8 provides participants with the fun and enriching opportunity to develop skills and knowledge of the game both in a practice and game environment. Teams play games on Saturdays and are led by volunteer coaches. To help prepare for Saturday games and develop skills throughout the season, four scheduled practices are held each week for each age, providing participants with scheduling flexibility and the opportunity to practice as many times a week as they like. All practices are led by experienced practice coaches providing consistency in the skills and concepts taught in preparation for Saturday games.

There is a **mandatory evaluation** for all participants in order to be placed on a team in this league (please see evaluation dates in this packet). Evaluations are mandatory for all Y-Ball participants in order to create a league where all teams and players have a chance to thrive.

**\*\*Please understand that due to the magnitude of this program, we cannot honor any special requests for team placement with individual coaches or other players.\*\***

### High School Y-Ball League

The high school league is a fun league designed for high school students to enjoy playing the game with friends in a non-competitive environment. Teams are led by volunteer high school captains. The registration deadline and season start date for this league are extended to accommodate the high school team try-outs. Please note, according to CIAC rules, participants are not eligible to play in the league if they play for the high school team. Following the registration deadline, team captains will host a draft to select teams. Teams in this league do not have formal practices, and just enjoy games on Wednesday evenings and Saturdays throughout the season. If you would like to be a captain please send an email to Sports Director, Will Schwartzstein, at [wswartzstein@newcanaanymca.org](mailto:wswartzstein@newcanaanymca.org) for additional information.

## **New Canaan YMCA Players' Code of Conduct**

**I hereby pledge to be positive about my youth sports experience and accept responsibility for my participation by following this Players' Code of Conduct.**

- **Have fun!**
- I will uphold the YMCA Core Values of respect, honesty, caring, and responsibility.
- Be a good sport (win or lose); Be honest, fair, and always show good sportsmanship to all coaches, players, officials, parents, and fans at every game and practice.
- I will attend every game that I can and at least one practice each week. I will notify my coach if I cannot.
- I will put personal goals aside for the betterment of the team.
- Show courtesy and respect to teammates, opponents, coaches, officials, and scorekeepers at all times.
- Realize that athletic contests, including practice sessions, are educational experiences and opportunities.
- I will not engage in unsportsmanlike conduct.
- I will not engage in rude behavior.
- I will treat everyone the way I want to be treated, including coaches, parents, players and officials.
- I will refrain from boasting to my teammates and "trash-talking" to members of other teams. I will accept defeat graciously by congratulating my opponents on a game well played.
- I understand that basketball is a physical game and I will keep the physicality within the rules of the game.

By signing below, I acknowledge that I will adhere to follow this Code of Conduct, as well as the YMCA program's rules. ## **New Canaan YMCA Parent/Spectator Code of Conduct**

YMCA youth sports are based on certain beliefs and philosophies: participation and everyone plays. The YMCA encourages the development of the whole person in mind, body, and spirit. The YMCA also emphasizes fun, fundamentals, teamwork, fair play, cooperation, and respect for the officials, one's self, one's team-mates, and the other team. Our philosophy is simple: **EVERYONE PLAYS – EVERYONE WINS.** Every decision you make and every behavior you display has a direct impact on not only your athlete, but all program participants.

I hereby pledge to provide positive support, care, and encouragement for my child participating in the New Canaan YMCA Y-Ball Program by following this Parent Code of Conduct:

- I acknowledge support of the YMCA core values of respect, honesty, caring, and responsibility.
- I will encourage good sportsmanship by demonstrating positive support for all participants, coaches, and officials.
- I will do my best to make this program fun for my child and all program participants.
- I will keep winning in perspective. A child usually forgets the outcome of the game: it is the adults that have a tendency to stress the win/loss record.
- I will ask my child to treat other participants, coaches, officials, parents, and spectators with respect regardless, of race, age, sex, creed, or ability.
- I will treat officials and coaches with respect as they are there to provide my child with a safe and healthy learning environment.
- I will strive to be a good role model for my child and the other children in the program. I will encourage my child to learn to lose with dignity and win with grace.
- I will respect my child's coach and do my best to have my child at all practices and games on time. I will recognize the importance of volunteer coaches. I realize they are important to the development of my child and the program. I will communicate with them and support their decisions.
- I recognize that any deviation from this code of conduct will result in penalties as decided by the New Canaan YMCA Management, up to and including suspension or expulsion from attending games and practices.

## **Y-Ball 2<sup>nd</sup> through 8<sup>th</sup> Grade FAQ's**

Thank you for participating in the New Canaan YMCA "Y-Ball" Youth Basketball League. Based on feedback from previous years, we have made some exciting changes to the 2019-2020 season in an effort to improve our program for our participants. Below you will find answers to frequently asked questions. If you need further information, please contact Sports Director, Will Schwartzstein, at 203-920-1652 or [wswartzstein@newcanaanymca.org](mailto:wswartzstein@newcanaanymca.org)

### **-Why the change??**

Every year we conduct post-season surveys to get feedback on the program. This feedback, plus the ongoing feedback that we received throughout the past few seasons helped us identify that there were some improvements that could be made to better achieve the goal of the program. The goal of the Y-Ball program is to develop the whole basketball player: providing each participant with an opportunity to improve basketball skills, develop game-play, and build friendships, all while having fun and fostering a love for the game.

### **-How many practices a week is my child required to attend? How many practices per week may they attend?**

We require that your child attend at least one practice each week. The new practice structure allows flexibility to attend practices that work with each participant's schedules. Participants also have the opportunity to attend more practices if they like.

### **-What are the advantages to having grade level practices with "practice coaches"?**

This new practice structure will provide consistent player development, offers parents the flexibility of practice times, it levels the playing field of our experienced vs. less experienced volunteer coaches, and mitigates post-draft maneuvering of rosters due to scheduling conflicts.

### **-Why are Evaluations mandatory? What if I can't make it?**

Evaluations are mandatory because they will help in creating competitively balanced teams. If you are unavailable for the Saturday evaluation time, there will be a make-up option. The make-up schedule will be available upon the completion of registration. If you are unable to attend the make-up time, your child will still be placed onto a team but it will be after the participants who attend evaluations have been placed.

### **-Who will be evaluating my player?**

Evaluations will be run by the Sports Director and practice coaches. Volunteer coaches will observe the evaluations and will be able to make their own notes. The evaluation scores, evaluations from previous seasons, and coaches' input will be considered when organizing teams.

### **-How will teams be selected?**

The team selection process will be a "blind draft." The volunteer coaches will meet to collectively create competitive, balanced teams for the season. Once rosters are complete, coaches will draw a number to find out which team he/she will be coaching. Coaches' children will be placed on their team by laterally moving participants drafted in the same round, so not to lose the balance that was created.

### **-Will my player be able to bond with their teammates if they only see each other on game day?**

Yes! Bonds will be created throughout the program with your teammates and those who are not your teammates. We encourage teammates to attend the same practice whenever possible. This will help to create the team bond. We will do our best to have teammates work within the same groups throughout practice and we encourage team activities outside of practice and games.

### **-Will my player miss out on learning something new if they can't attend more than one practice per week?**

No! Practices during a given week will be the same, this way all of our participants are learning the same skills and concepts. Drills and concepts will change weekly, not on a day-to-day basis.

### **-How does the Y plan to address the risk that a high number of players in an age group attend practice on the same evening?**

We are fully prepared to host practices with 40-50 attendees at a time. Volunteer coaches will work with our practice coaches to run the drills and teach concepts. We will split the participants into groups and rotate through the skills so everyone learns the same things in an orderly fashion.

### **-Can I make team placement requests for my player to be paired up with friends?**

Due to the magnitude of participants in this program, we cannot accommodate special requests for team placement. We encourage friends to attend the same practices.

### **-How do I sign up to volunteer coach?**

To become a volunteer coach, please reach out to Sports Director Will Schwartzstein via email at [wswartzstein@newcanaanymca.org](mailto:wswartzstein@newcanaanymca.org) for more information. There will be two coaches meetings held, and interested coaches should be in attendance for one of these meetings. These meetings will take place on Wednesday, October 23<sup>rd</sup> at 7:30pm and Wednesday, November 6<sup>th</sup> at 7:30pm.
