## Scavenger Hunt: Directions and Rules

1. Print out the Scavenger Hunt Card, which can be found on our Y@home [page](#)
2. Work as one big family or create teams - whatever you think would be more fun!
3. Set a timer for a specific amount of time. We recommend 30-minutes, but if you think you'll need more or less time feel free to adjust to what you think is best
4. Designate an area in your house that you will meet when the game is over (kitchen table, family room, playroom, etc.)
5. Read each riddle and figure out the answer. Then, go search for the item. For example: I am full of holes, but I can still hold a lot of water. What am I? the answer is sponge, so you would go on a hunt to find a sponge.
6. Place the item in a bag (shopping bag, garbage bag, backpack, etc.)
7. Keep figuring out the riddles and searching for the item until the timer goes off
8. Everyone meets in the designated area to go over the items and to see who correctly answered the riddles and collected the most correct items to match each riddle
9. Whoever has the most correct riddles and items wins the game!
10. The game is meant to be fun, engaging, and make everyone think a little bit, so just have a good time!
11. The most important rule of the game: everyone **MUST** have fun, play nicely, and be kind!
