Greetings to all, and welcome to the 2021-2022 competitive swim season.

The Caimans Swim Team is a YMCA and USA swim program that is lead by a professional coaching staff under the direction of the New Canaan YMCA. The program is structured to promote personal character development through constant challenges and competitive opportunities. Our dynamic and energetic coaching staff bring many years of combined experience to the program and is excited to lead and teach our young athletes. We are committed to the YMCA's four core values; Respect, Honesty, Caring, and Responsibility, as well as promoting athletic success at all levels. Please visit our website at www.ncyac.org to learn more about our staff.

Our program thrives on volunteerism, so we expect all of our swim team families to get involved. Our goal remains to make this program a family oriented program. In order to meet this objective, the Swim Team Parents Association requires that all families earn a minimum number of volunteer credits by helping out at swim team events and functions throughout the year. Information on these requirements can be found on our team website, www.ncyac.org.

We are thrilled to have your child and your family involved in our program. More in depth information is available on our team website as well. There you will be able to learn more about the Caimans practice philosophy, structure and coaching coverage.

Please be sure to go through this packet in its entirety, there is a lot of information. There is also an additional handbook that has more in depth policies in procedures included.

New Online Paperwork System ePACT

We are excited to introduce you to our new online paperwork system, ePACT. ePACT is a tool used by many organizations to securely collect reliable and up-to-date information for all its members that can be accessed easily in cases of emergencies, big or small. We have been using ePACT in our summer camps and childcare for the past three years and it has proven to be efficient and user friendly. So we will no longer be accepting paperwork everything must be filled out online.

Once you are registered through our online registration system Active Net, you will receive an email from ePACT inviting you to fill out all necessary forms needed for your team. Once you are in ePACT please follow the instructions carefully so all uploads and paperwork filled out are done so correctly. If you have any questions while filling out forms in ePACT please call 1-855-773-7228 ext. 1 for the ePACT help desk, or help@epactnetwork.com. Once the initial paperwork is filled out every season you will only have to reconfirm the paperwork that is in ePACT already.
